Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is 6
notified that such property may present exposure to lead from lead-based paint that may place young children at 7
risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, 8
including learning disabilities, reduced intelligence quotient, behavioral problems and impaired memory. Lead 9
poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is 10
required to provide the buyer with any information on lead-based paint hazards from risk assessments or 11
inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk 12
assessment or inspection for possible lead-based paint hazards is recommended prior to purchase. 13

and/or lead-based paint hazards. 36

Accepted an opportunity to conduct a risk assessment or inspection for the presence of lead-based paint 37
and/or lead-based paint hazards on the following terms and conditions: 38

This Agreement is conditioned upon a risk assessment or inspection of the Property for the presence of lead- 39
based paint and/or lead-based paint hazards, to be performed by a risk assessor or inspector at Buyer's 40
expense. (Intact lead-based paint that is in good condition is not necessarily a hazard). 41

This contingency shall conclusively be deemed satisfied (waived) unless Buyer gives written notice of 42
disapproval of the risk assessment or inspection to Seller within _____ (10 days if not filled in) after 43
receiving this Disclosure. Buyer's notice must identify the specific existing deficiencies and corrections 44

notice of termination of this Agreement within _____ days (3 days if not filled in) after expiration of the 56
time limit or delivery of Seller's notice pursuant to the preceding paragraph, whichever occurs first. The 57
Earnest Money shall then be returned to Buyer and the parties shall have no further obligations to each other. 58
Buyer's failure to give a written notice of termination means that Buyer will be required to purchase the 59
Property without Seller having corrected the conditions identified in Buyer's risk assessment or inspection 60
