LEGAL DESCRIPTIONS

OF RECORD

I utilized (R1) and (R2) for my basis of bearing which agrees with the deeds but does not show me. Unless shown otherwise, found monuments were within one foot of record. Other solutions pictorially the distortion of the section. (R1) determination of the road right-of-way was used by the position created by (R5). position of the southeast corner of Section 11. Subsequent surveys, (R4), (R6) and mine accept of sectional lines. The legal descriptions of Parcel D and Parcel E were created utilizing the (R1)

the southeast section corner set by Mr. Carlson and showed a tremendous amount of distortion

The United States Geological Survey considers that, among others, this section as, "known to
