

- **Black Lake (Stevens County)**

Black Lake (Stevens County)

Twelve miles east of Colville up Gap Creek Road at 3700 feet elevation. This lake opens the 4th Saturday in April and runs through October 31. Tiger trout (a Brook Trout x Brown Trout hybrid - first planted in fall of 2002) are planted annually and continue to provide an interesting fishery in this lake. Rainbow Trout are also occasionally stocked to provide additional variety and opportunity.

WDFW public access is available ([Black Lake | Washington Department of Fish & Wildlife](#)).
