CAUTION

FRAUD ALERT

Real estate buyers and sellers are targets for wire fraud and many have lost hundreds of thousands of dollars because they failed to take **two simple steps**:

Obtain the phone number of your real estate broker and your escrow agent at your first meeting;

Call the known phone number to speak directly with your broker or escrow officer to confirm wire instructions PRIOR to wiring.

CALL BEFORE YOU WIRE

Beware of the following scam:

1. An email account is hacked (this could be broker's, escrow's, or consumer's email).
2. Hacker monitors the account, waiting for the time when consumer must wire funds. Broker, escrow, and consumer have no knowledge they are being monitored.
3. Hacker, impersonating broker or escrow, instructs consumer to wire funds immediately. The wire instructions are for an account controlled by hacker. These instructions often create a sense of urgency and often explain that the broker or escrow officer cannot be reached by phone so any follow-up must be by email. When consumer replies to this email, consumer's email is diverted to hacker.
4. Consumer wires the funds which are stolen by hacker with no recourse for consumer.

Never wire funds without first calling the known phone number for broker or escrow and confirming the wire instructions. Do not rely upon e-mail communications.

Excise Tax (REET) ; Effective Jan.1, 2020, ESSB 5998 made changes to the real estate excise tax program. One of these changes is a graduated state REET rate structure for sales for real property. Local REET rates for counties / cities remain the same.
Agricultural land/timberland is excluded from the new rate structure & will continue to have a state REET rate of 1.28%. Plus the local rate.
Due to a lack of necessary information available to RE/MAX Select Associates to calculate predominate use we will provide an estimate as if DFL/Ag land rate or graduated rate. We recommend you contact WA. Dept. of Revenue, or county assessor / auditor office for your actual rate.
